*All our cast had to  
start with  
Was an empty stage  
and a freshly typed  
script.*

*We worked long and  
hard to perfect  
our parts,  
Learning each and  
every line by heart.*

*Stage right!  
Stage left!  
We learned where  
to go.  
We put everything we  
had into the show.*

*Rehearsals were often  
long and rough,  
And at times we felt  
we had enough.*

*Sometimes it hurt  
to face rows of  
empty chairs  
Because it seemed as  
if no one cared.  
No cheering crowd  
to lend support;  
No wild applause to  
reward our effort.*

# SCHOOL BULLDOGS

1982

*At times like that we  
helped each other  
along.*

*We learned that  
teamwork could  
make us strong.*

*Though there were  
many storms we  
weathered,  
We all held on and  
worked together.*

*Things weren't always  
so gray and down;  
We had lots of fun  
just clowning around.  
But everything paid  
off on opening night  
As we took our places  
beneath the lights.*

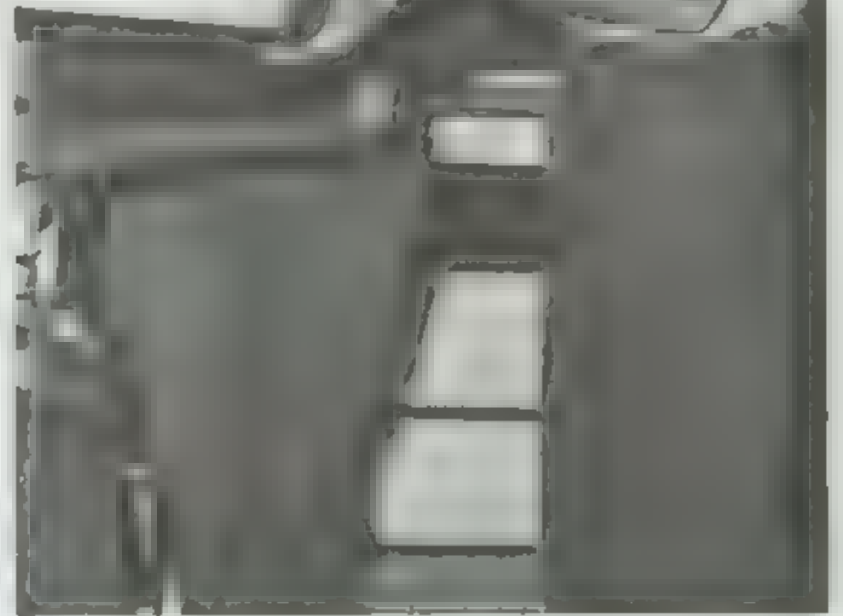

*The performance went  
better than any  
rehearsal,  
And the audience was  
on its feet for the  
curtain call.  
They clapped and  
cheered to let us  
know  
That we put on a  
very good show.*

*We pulled it off  
despite the trials,  
And knew that it was  
all worthwhile.*

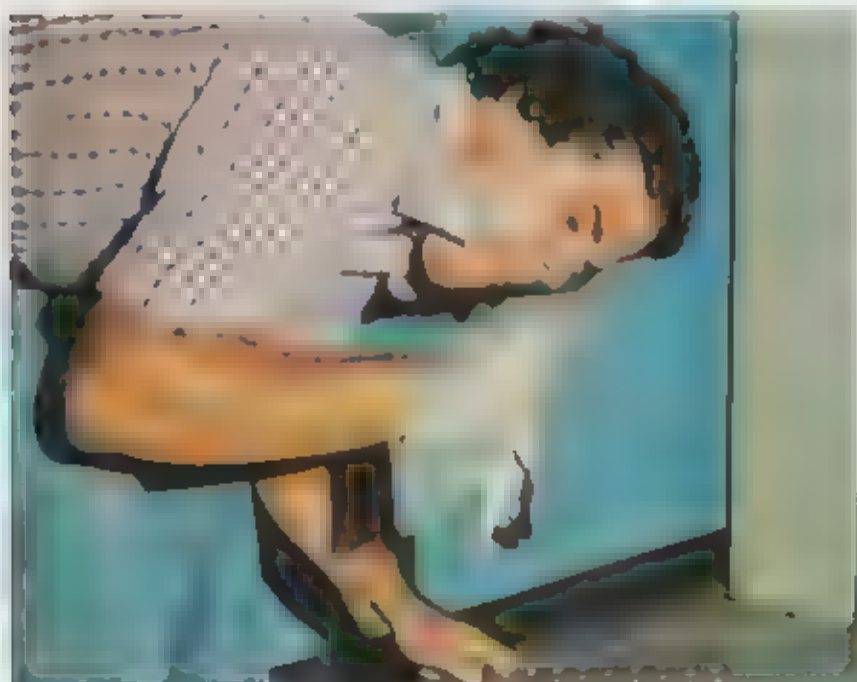

*We worked together  
and did our best—  
That in itself was  
our greatest success.*

## Key Surpasses Service Record

Having one of the greatest percentage increase of members of all Key Clubs in the state of Florida, the Tavares High School Key Club topped all previous records by making outstanding contributions to the school and community. After a membership drive that increased club membership by over 200%, the club set out to beautify the THS campus by repainting the pressbox, the concession stand, the scoreboard, the front of the bleachers, and the school sign. Key Club continued its service to the school by helping teachers clean their rooms after school, by washing cars for faculty members on a teacher workday, by assisting at the Athletic Boosters' Bar-b-que, by presenting the Mess Tavares all-male beauty pageant, by placing spirit signs around campus, and by cleaning the gym and football field after games.

The highlight of the fall activities was Key Club Week, November 8-14. The club participated in this national event by completing daily service projects such as picking up trash around campus, washing windows for merchants in downtown Tavares, and baking cakes for the faculty, the school transportation department, and the county office workers. The climax of November's activities was the first annual Parent-Faculty Appreciation Banquet.

The bonfire was the brightest event of the evening. The seniors won the float competition. Friday was future day. It was also the day for one of the best pep-rallies, or should we say one of the best funerals. Finally it was the time for the last of the Homecoming activities, the game. Even though we didn't win, the school showed the most spirit it has had in years. The crowning of the queen and Merlin's Crystal Ball topped the exciting week

With over 117 Barnett

to reason we'd do business

But it also stands to  
reason that we wouldn't be  
doing business with over  
a million people if we didn't  
do a better job for them.

And that's the kind of  
job we'll do for you.

When you ask us for a  
loan, we won't treat you like  
a suspicious character.

We'll ask a few easy  
questions, then get you an  
answer in a few hours.

We'll give you sound  
advice on savings and on  
making your money work  
harder for you.

In fact, we'll help you  
with almost any financial  
service you'll ever need.

So come to Barnett.  
We're the bank that treats

CONGRATULATIONS TO THE CLASS OF 82  
From  
Don and Ken Shafar and Families

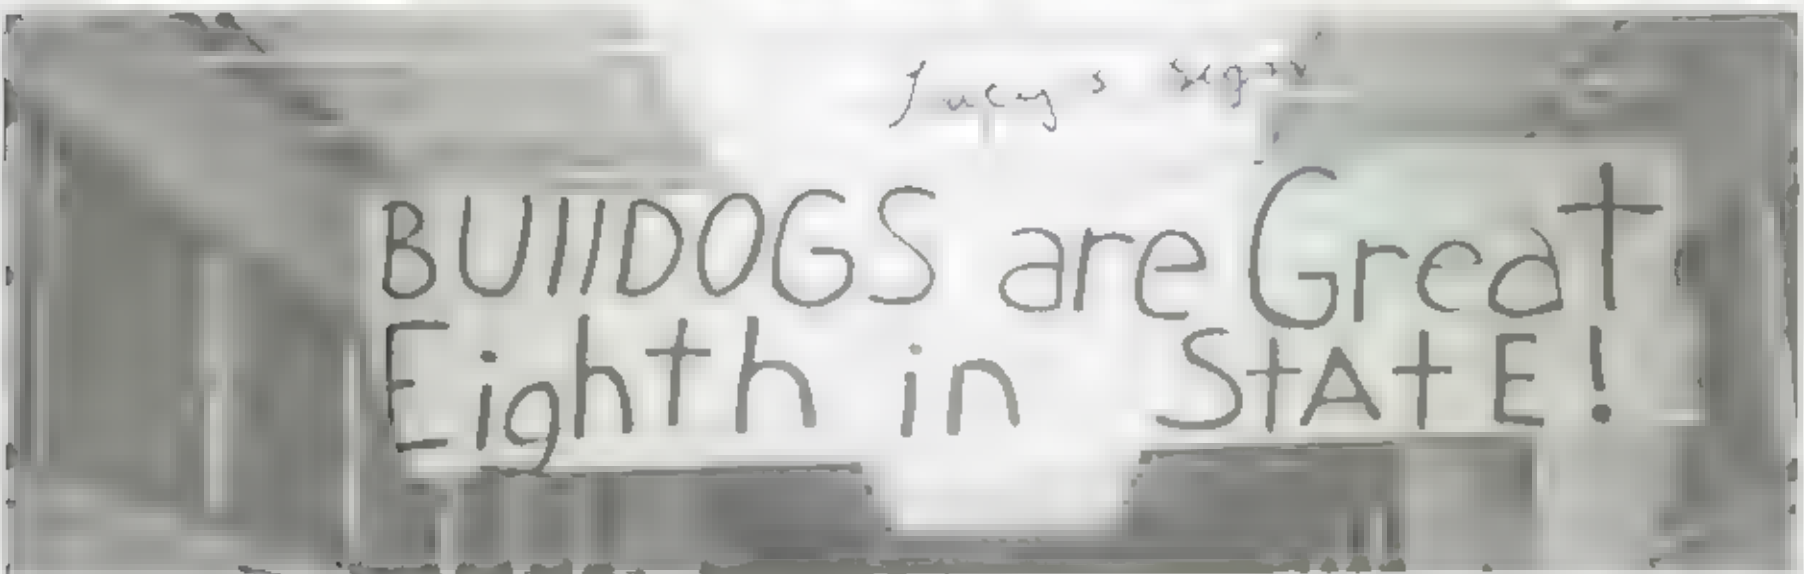

*As our play comes to  
an end,  
Look back and remember  
it all, my friend.*

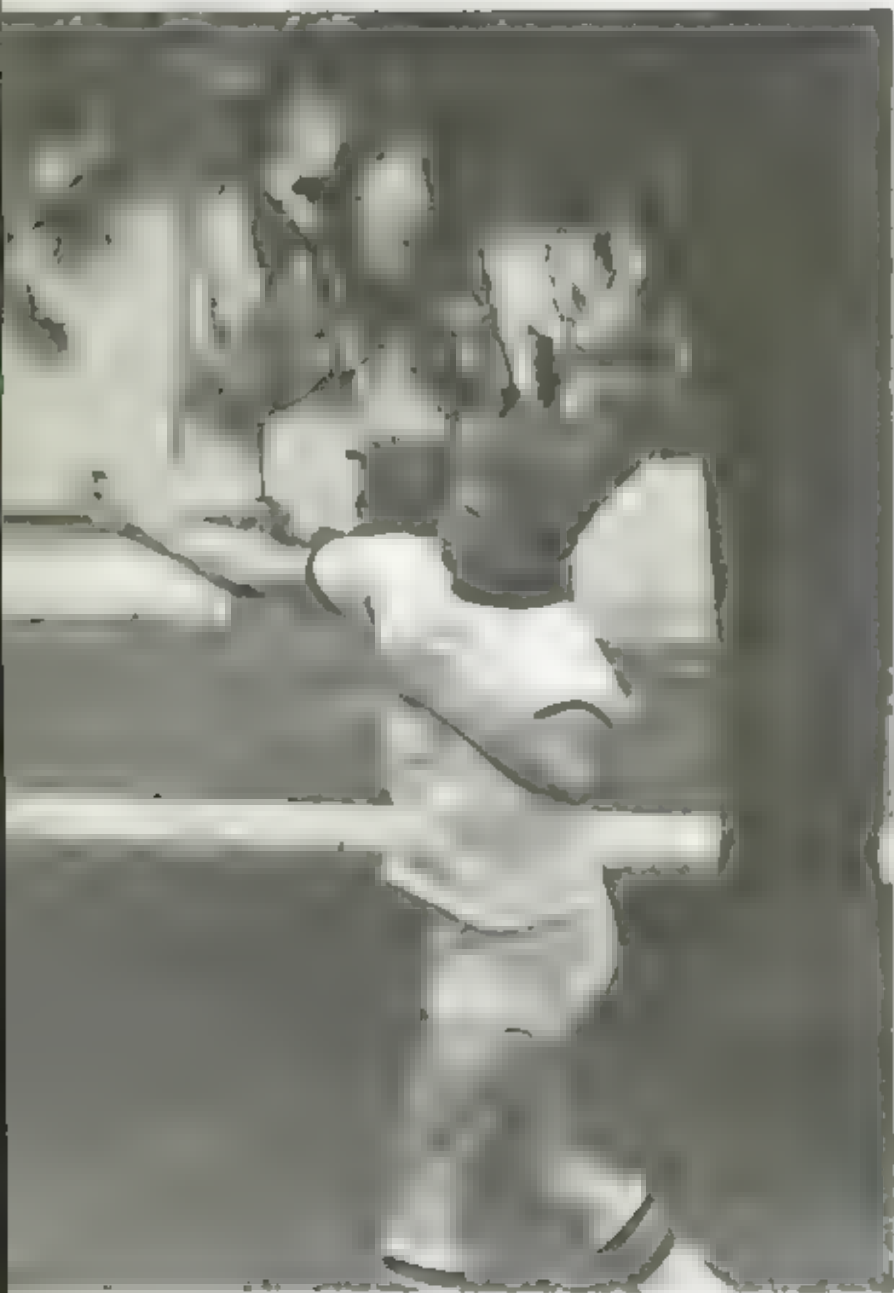

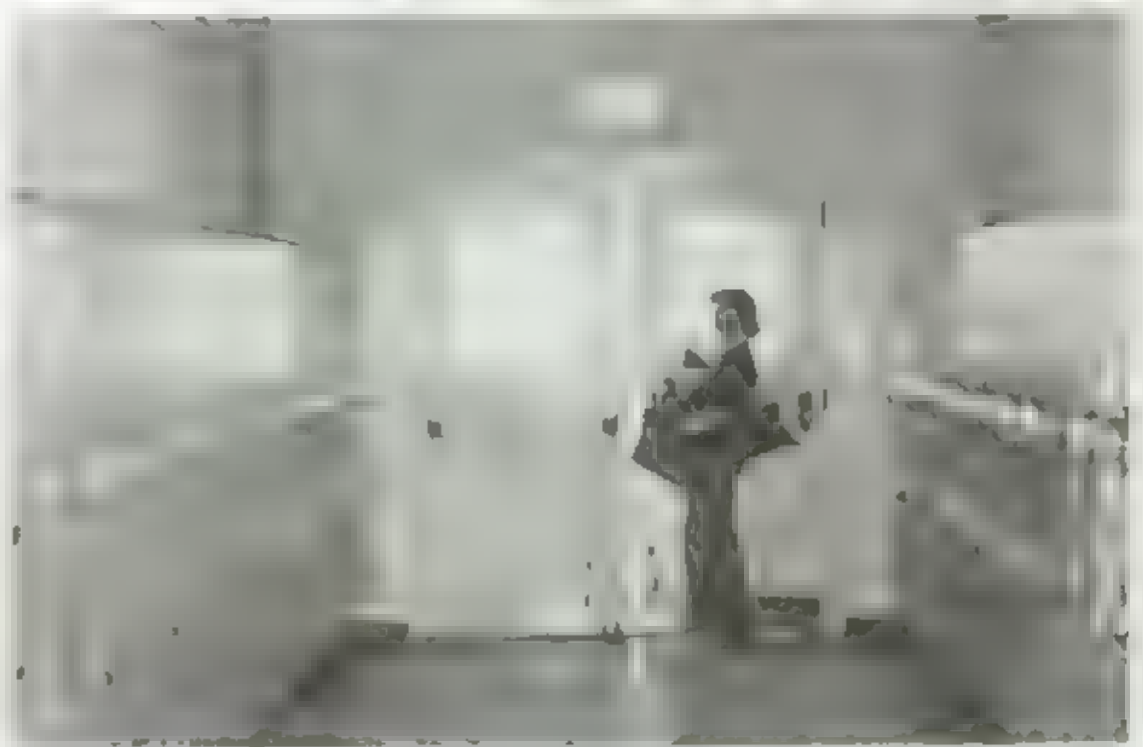

*Remember each scene;  
remember each line;  
Remember the spirit,  
success, and good  
times.*

*This is the last time we  
will pass this way,  
So don't ever forget  
what you learned  
from this play.*

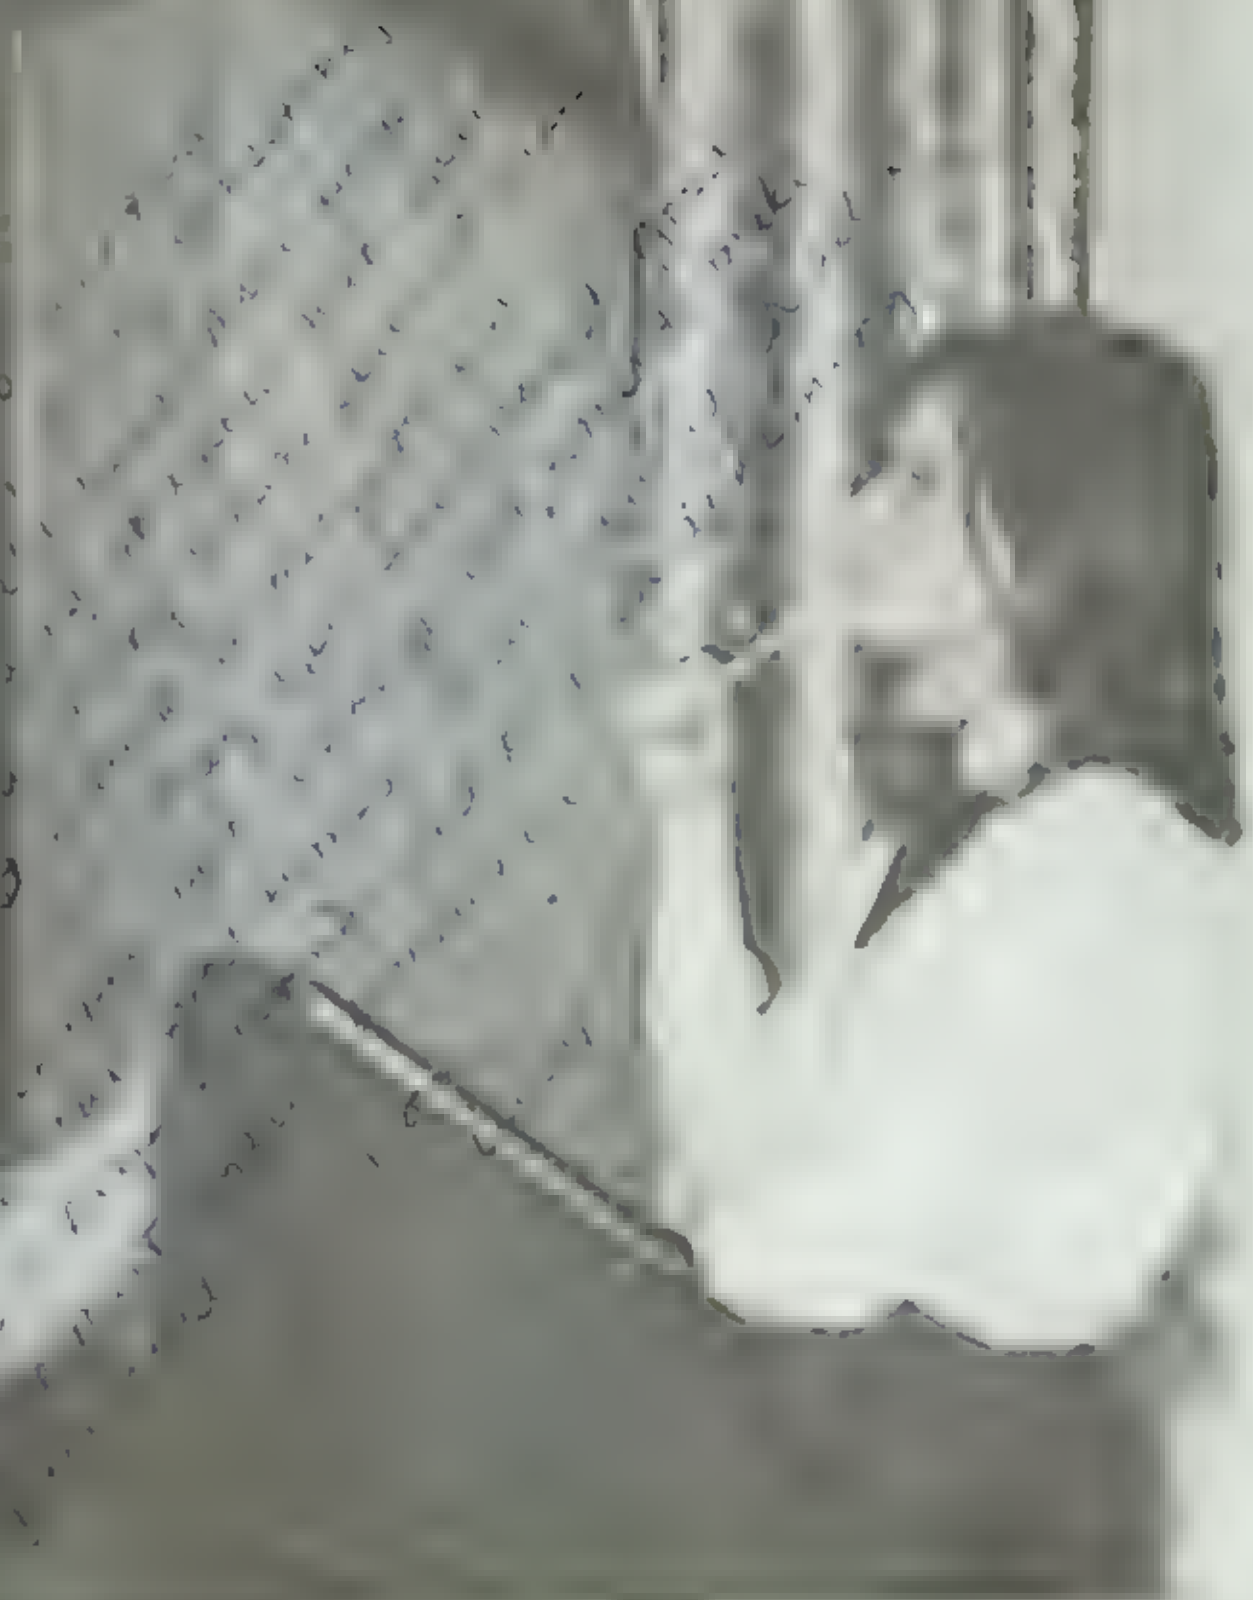

*Hold fast to these  
memories;  
Don't let them go.  
Always remember this  
spectacular show.*

1. The first thing I saw when I walked into the gym was the spirit that brought it all to life. Remember the vibrance of the pep rallies, the excitement of Homecoming, the victory of the volleyball regional championship game, the thrill of fast moving basketball games, the celebration after those close last seconds of the Mt. Dora football game. Memories such as these are all that remain of our play.

As the years go by, many memories will crowd your mind. To make sure that this play won't be forgotten, we have recorded some of its moments on these pages. Many people have made the production of this yearbook possible. I would like to thank the staff members for all of their hard work, and also to those who have given us their cooperation and support. I appreciate all the time and effort Miss Moore and has given to this book. She has been an outstanding sponsor and deserves to take an extra bow.

Having spent many years with the Class of 1982, I shed a tear or two each time I think of all our revels here have ended. As you seniors move on to a new stage in a different role, keep in mind that what part you play is not the most important thing. Success depends on how well you play your part. Wish you all the best of luck.

Adam, I am very pleased that I really  
got to know you this year. I really  
sometimes in my mind, you  
thought I went overboard on a  
"certain blend" but I hope you  
can overlook my flaws. You  
have been a great help to the  
class of '83 and whenever I think  
of our great #1 great I will  
always think of all your help,  
on doing the whole back and then  
riding on it too. You know we (83)  
are also grateful to your mother.  
Many is one of the greatest friends  
I have & I can not help, but can  
for the person who she directs  
her whole life to, but I must say  
if there is any person I know who deserves  
her it is you. I find it so hard to believe  
you are the same guy who used to listen  
to in Mr. Smith's class.

Adam I wish you all the luck  
in the world, in whatever you do. Only  
please make sure that no matter  
what you choose to do, you always  
keep playing your piano.!! You have  
a great talent which many people  
enjoy. Keep in touch! I'd don't just  
out that as something to say w/out  
meaning it. Have a great life  
and the great I thank you for  
a year to remember. Love ya Jack

Adam,  
Well, it's  
finally the end  
of the year. I just  
really met ya this  
year but you're a really  
sweet guy. I'm sure you'll  
succeed in everything you  
do. Good luck and take "82"  
marcy!  
Love  
Jinx
